# MESSAGE FROM THE PRESIDENT & CEO

## MICHAEL E. McRAE

Dear Friends,

It is hard for me to believe as I sit down to write my article for this edition of the SPIRIT, that we are almost finished with 2014! Where did the time go? Since taking over the reins of CEO this past April, I have been blessed with the opportunity each day to see the impact St. Ann's Community makes on the lives of our Most Important People On Earth. I have held a variety of positions over the last 25 years of my career and have seen care delivered across various settings. Based on that experience, I feel so strongly that St. Ann's is one of Rochester's best community assets.

I have traveled and visited countless organizations, large and small, new and old and would put St. Ann's up against any one of them. As you can probably tell I love to share with anyone who will listen, all the great work that goes on within our community. Just the other day, on my way home I stopped at my favorite supermarket to pick up a gallon of milk. Still wearing my ID Badge, the person in front of me in line realized where I worked and said "I just have to tell you my mother was at St. Ann's, my uncle was at St. Ann's and my neighbor just had rehab for a new knee at St. Ann's! We are so thankful that our family and friends have had such

wonderful care." I of course took the opportunity to thank her and went on to share some of the non-traditional programs that we now offer like our HeartMatters Cardiac Rehab and Advanced Wound Care. The best part of this story is when it was my turn to check out, the young person at the register looked up at me and not wanting to be left out said, "I did my community service at St. Ann's Community at Cherry Ridge and my grandmother lived there too. I know exactly what she was talking about – it was great!" It was an overwhelmingly positive interaction.

The good work done every day across St. Ann's Community is executed by a high performing, talented, dedicated and most importantly, *caring* group of staff and volunteers. One way we honor our staff is through our Award of Excellence Program. Employees chosen have been called out for this special recognition based on their dedication and commitment to St. Ann's and its Mission. Some of our recent winners are:

**Molly Nutting** -  
Human Resources  
*Hired: June 2004*

Over the past 10 years Molly has dedicated her time and energy to the

employees as the Human Resources Coordinator. Molly also chairs the Wellness Team and the Fun Committee bringing many new opportunities to the staff.

**Debbie Vetuskey** -  
Central Supply  
*Hired: October 1988*

Debbie has been working in Central Supply for 26 years. Her efforts as a CSR Technician and her bright smile have a major impact on the residents, patients and employees lives each and every day.

**Nate Browning** -  
Facilities Services  
*Hired: January 1996*

As the Paint & Carpentry Leader, Nate thinks outside of the box to tackle any problem. For over 18 years Nate has made custom modifications for not only the residents but for the staff.

**Barb Robertson** -  
SACC Nursing  
*Hired: August 2008*

Barb has had many jobs within St Ann's over the past 6 years; everything from Staff RN to Nurse Manager and now Healthcare Services

*“I have traveled and visited countless organizations, large and small, new and old and would put St. Ann’s up against any one of them.”*

Coordinator at St Ann’s Care Center. Barb goes above and beyond to make sure everything is running smoothly for our employees, therefore ensuring consistent care to the residents.

Over the last few months the Leadership Team, Board of Directors, staff and various stakeholders have been engaged in updating our Strategic Framework. At the center of this living and breathing document is the foundation of all of our good work - our staff and volunteers. The framework calls out five key imperatives: Drive Employee Engagement, Provide Outstanding Customer Experience, Diversify Senior Care and Services, Expanded Partnerships /Relationships and Achieve a Margin that Advances our Mission. This framework looks to address the changing healthcare landscape while ensuring high quality care for those we currently serve and those we will serve in the future.

I hope to see you soon at one of our upcoming holiday parties. Beginning December 1st and lasting throughout the month, there will be tree trimmings, events with local school children, concerts and more across all our Communities.

It’s such a special time of year and one I always look forward to.

I hope that your holidays are filled with the blessings of family, friends and good health. Peace!

*Michael E. Meloe*

## St. Ann's Community Earns 5 Star Rating

St. Ann's Home has earned a Five Star Rating from the Centers for Medicaid and Medicare Services (CMS). The Five Star Rating is the highest rating possible for skilled nursing facilities and puts St. Ann's in the top tier of nursing homes nationwide. "To have achieved this rating for a 470 bed skilled nursing facility takes continued focus and commitment to quality, each and every day," stated Michael E. McRae, President & CEO St. Ann's Community. "I could not be more proud of our outstanding team of professionals."

This good news follows two other significant quality achievements; St. Ann's Care Center on the Cherry Ridge campus also earned a Five Star Rating earlier this year and Assisted Living, received a deficiency free survey this summer. St. Ann's Community continues to demonstrate our ability to provide quality care to *The Most Important People on Earth*.

By Father Peter Bayer

## Living Life to the Fullest

Every day is a gift! The upcoming season (Thanksgiving, Christmas and New Year) reminds us that living life to the fullest is to recognize each day as a gift, even in the midst of all the activities, challenges and transitions that life brings.

Each year the weeks of mid-Autumn and early Winter can be a time to reflect on the gifts we experience in our lives. Thanksgiving is a time when people gather with family and friends in thanksgiving to their Creator for gifts too numerous to count. Christmas is a time when we celebrate and give thanks to God for the gift of His Son, Jesus Christ. Christmas is also a period to think of others, rather than selfishly ponder our self and our own needs. Christmas is a season for giving and receiving gifts. The New Year challenges us to hope and pray for World Peace.

A number of our family members and friends find these months filled with challenging transitions. Transitions in our lives allow us to transform ourselves for the better. The New Year presents a broad spectrum of changes, for some family members, it's a couple's engagement, planning a wedding, taking a new job or moving out of New York State, while for others it might be purchasing a new home, starting a new business career or it may be an upcoming retirement.

Each of these transitions could be joyful or stressful in living life to the fullest. Some of these changes can cause our imagination and dreams to soar as high as the heavens with good thoughts and delightful outcomes.

May we continue to pray for one another as we journey by faith and "live life to the fullest."

Peace, Love and Prayers!

# New Wellness Center AT CHAPEL OAKS

On September 29th, Chapel Oaks was excited to open its new Wellness Center. The Center offers a 20' x 30' heated pool with easy access steps, an underwater treadmill, an ADA approved power lift and open lanes for lap swimming. Residents at Chapel Oaks are raving about having the new pool in their community and pleased they do not need to leave their home to achieve personal wellness.

Another feature of the new Wellness Center is an expanded fitness area with locker rooms. The fitness area is equipped with 11 new pieces of senior friendly training equipment. Residents are bragging about the new equipment saying the machines are user friendly and easy to operate.

Another bonus that residents noticed was that the recumbent bicycle works every part of your body, which eliminates the use of multiple machines during their workout.

Chapel Oaks offers five exercise classes per week taught by well-trained instructors. The classes include; arthritis stretching class, toning, yoga, tai chi and aquatic exercise. In addition, a Wellness Coordinator is available to answer any questions residents might have about exercise and fitness.

At Chapel Oaks, the goal is to incorporate the seven dimensions of wellness including physical, emotional, intellectual, social, spiritual, environmental and occupational, into our monthly program of activities and events. With the new Wellness Center open at Chapel Oaks, we can now incorporate these dimensions of wellness into our residents' quality of life and overall wellbeing.

Visit the on line activity calendar at [www.chapeloaks.net](http://www.chapeloaks.net) to see how we incorporate all seven dimensions of wellness into our monthly events and activities.

## Pete Tierney – A Chapel Oaks Resident

Pete Tierney, Chapel Oaks resident just turned 101 years old on October 29th and has been a lifelong resident of the Rochester community. Tierney grew up in the 10th ward on Lake View Park. He is the oldest living Aquinas graduate, graduating in 1931. Pete was on the first football team that wore the Aquinas jersey and played half and defensive back.

Pete says, “I was 5 foot 5, 135 pounds. Today I couldn’t qualify to carry a tray of water cups.” Tierney admits that Aquinas did not look the part. Since the program was just beginning, the school didn’t even have its own equipment at the time.

“That was the days of soft leather helmets and no face guards,” says Pete. Tierney was lucky when it came to equipment though. He played “sandlot” – an organized unofficial football little league among city neighborhoods so he had his own equipment and uniform.

After high school, Pete attended the University of Rochester and played on their football team for all 4 years of college. He never officially stepped on the field but earned the letter jacket.

After college, Tierney served 41 months in the United States Army in World War II. He spent 39 of

those months overseas. “I left for my European Tour and came home in 1945,” he said. After returning home, Pete went to work at Eastman Kodak Company, which is where he remained until his retirement in 1975.

Today, you will find Pete having lunch every Thursday at the Rochester Yacht Club with his friends wearing his Aquinas baseball cap. The staff members at the club call them the Romeo’s – Retired Old Men Eating Out.

Pete has become quite the artist since living at Chapel Oaks. He creates beautiful birds hand carved from wood, as seen with Pete in the photo above.

# GIVE YOURSELF AND YOUR LOVED ONE A GIFT

We know that juggling commitments and responsibilities can be overwhelming when you're caring for an aging parent or a person with disabilities. Especially around the holidays. Sometimes you just need a break - that's where St. Ann's **Adult Day Services Program** can help!

Go shopping, visit with the grandkids or take some much needed time for yourself knowing your loved one is being cared for and cared about! St. Ann's created our Adult Day Service Program to help families continue to have their loved ones live at home. With three convenient locations, chances are we are in a neighborhood close to you. And with our transportation services, we can even pick your loved one up and bring them back home again!

Home Connection on our St. Ann's Irondequoit Campus, is a medical adult day program that provides quality health care in a warm and comfortable setting. Our team develops personalized health care and recreation services designed for each person's individual health needs. So if that means providing showers, overseeing medication administration or scheduling wound care services, that's what we'll do.

Our Home & Heart Program has two locations in Webster and Rochester and provides support services and activities. Home & Heart is ideal for older adults or persons with disabilities who may have diminished physical or psychological capacity, chronic illness, memory problems or are socially isolated.

While you are busy this holiday season, consider giving yourself and your loved one a gift you will both value. Peace of mind knowing your Most Important Person on Earth is being cared for, and knowing you're taking care of yourself as well! Call (585) 697-6381 today and find out about our FREE DAY to experience for yourself what a gift St. Ann's Adult Day Service can be.

*Make a difference in the lives of our seniors!*

## JOIN OUR TEAM OF VOLUNTEERS!

We're interested in fun-loving, compassionate volunteers to help support our residents and staff on the Irondequoit and Webster Campuses (the minimum age to volunteer is 14).

We're looking for volunteers willing to:

- Help transport residents to and from the chapels for Mass
- Visit with residents one-on-one or in small groups
- Assist with activities programs and special events
- Join the Communion Ministers group
- Assist with the many holiday festivities coming very soon
- Assist in the gift shops
- Offer a talent or hobby you would like to share with residents

How to apply:

Give us a call or fill out an application online at [stannscommunity.com](http://stannscommunity.com) then click on the Volunteer tab.

Barbara Joyce  
Volunteer Services Manager  
Portland Avenue Campus  
(585) 697-6523

Judy DeLucia  
Volunteer Coordinator  
Cherry Ridge Webster Campus  
[jdelucia@stannscommunity.com](mailto:jdelucia@stannscommunity.com)

We're looking forward to hearing from **YOU!** You're going to love helping make a difference in the lives of our seniors – *the most important people on earth!*

# Summertime Fun at St. Ann's Community

◀ Food Truck Rodeo - With food trucks growing in popularity in the Rochester area and across the nation, we wanted to bring all the fun and great food on four wheels to St. Ann's Community.

.....

▶ St. Ann's Community at Cherry Ridge held its First Annual Summer Camp from August 11-15, 2014. This unique experience allowed children, "campers" and residents of Cherry Ridge to spend time together doing imaginative and interactive activities.

.....

▼ George Cowley, resident at St. Ann's Home was head of the planning committee for a Barn Dance and Chili Cook Off.

.....

▲ The barn dance was held in the Bishop Kearney Auditorium where over 150 residents attended with their families and friends.

# 2014 Volunteer Recognition Luncheon

*President and CEO Mike McRae with Charter Volunteer Leon Bradshaw*

*Special Event volunteers Stephen and Adelaide Goldman*

The Annual Volunteer Recognition Luncheon was held on Friday, September 26<sup>th</sup>, at the Cherry Ridge Community Center with a wonderful lunch prepared by Cherry Ridge's Executive Chef, Daryl Cronk. St. Ann's President and CEO, Michael McRae, Steven Smith, St. Ann's Foundation Vice President and Father Ed Golden warmly welcomed volunteers from all St. Ann's service areas.

After lunch, Mike McRae thanked all volunteers for being such a vital part of St. Ann's mission and history. He noted that volunteers are ambassadors of our mission and how fortunate St. Ann's is to have volunteers in all areas making such a difference in the lives of residents and staff. He then offered a brief overview of the newly developed St. Ann's strategic plan, saying there will be many

new volunteer opportunities and needs moving forward. Most importantly, he said volunteers would continue to be a huge part of our residents' lives as extended family, a helping hand, a kind word, and offering a hug or smile.

Special recognition and applause was given to our eleven charter volunteers who are some of our longest serving volunteers each contributing thousands of hours. Charter Volunteers: Kathy Babij, Stella Beahan, Leon Bradshaw, Mary Dodd, Mary Ladowsky, Janice Martellotta, Joan Osterhout, Audrey Paprocki, Mary Przysinda, Donald Rhoads and Ann Sylvester.

**Thank you to all of our Volunteers!**

*Teen Volunteer Jayson Bailey with his Mom, Kym Bailey*

*Congratulations & thank you...*

*to St. Ann's Angels Board Co- Chairs Jackie De Maria and Lillian Mourer for a decade of dedicated service leading the Angels!*

There is much to celebrate and we thank Lillian and Jackie, as it is under their leadership that St. Ann's Angels have flourished helping to raise over \$460,000.

The Angels are in good and capable hands under new leaders – Co-Chairs, Susan Whalen and Marilyn 'Dolly' Cerame who have been on the board since inception and will officially be at the helm starting in January 2015.

"We have a great and compassionate Angel Board," comments Jackie, "While Lil and I will continue to still serve on the board; it is time for new angels to spread their wings and lead us into the future. Sue and Dolly are just those leaders." Sue a long-time volunteer and family member and Dolly who leads many of the Angel special events are enthusiastic and compassionate about the Angel mission. "St. Ann's has been a big part of my life, so this is a mission I feel strongly about." says Sue. "I love being able to help support the residents who might not have the financial ability to do so." says Dolly. We are fortunate to have the strength and vision of the Angel leadership to continue their mission going forward.

*New Angel Board Co-Chairs; Susan Whalen and Marilyn 'Dolly' Cerame*

# GIVING

An update from St. Ann's Foundation

## TO THE MOST IMPORTANT PEOPLE ON EARTH

### A SMALL LIFT FOR HOME & HEART, A HUGE LIFT FOR PARTICIPANTS

St. Ann's Home & Heart adult day program in Webster had some much-needed improvements to be done, yet there simply wasn't any budget left. To make it happen they needed to find \$5,000 in additional funding. When the Foundation turned to some of its resident family members and committed donors for private support they were happy to help!

Outdoor space improvements were made and they'll be plenty of enjoying the grill and picnic-area come spring. Thank you to all who made it possible. And, yes, stay tuned for some photos of our seniors enjoying the spring sun!

#### DONOR PROFILE

## JEAN ARENA

"Our family's guardian angel," that's the best description for Jean Arena according to her niece, Pat Gambacurta.

Jean doesn't let the distance between her home in Sarasota, Florida and her extended family in Rochester diminish the closeness of their relationship. Through telephone calls, letters and occasional visits the family stays in close communication.

One of Jean's sisters, Catherine Czech, lived at St. Ann's Care Center at Cherry Ridge until her death in October, 2013. Kay, as she was lovingly referred to by all who knew her, was kind, generous and loving. She immediately made friends with her neighbors, staff and volunteers. She was thrilled when her niece Pat came to visit and brought her trusty accordion with her. Once she started to play, toes were tapping, hands were clapping and smiles lit up the faces of everyone there.

Jean wasn't able to see her sister as much as she would have liked, but it was easier knowing how happy she was and how well she being taken care of. "One of her greatest joys was watching the birds from her windows. The grove of blue spruce provided the perfect habitat for

*Kay Czech and Jean Arena*

cardinals, chickadees and many other species."

When her sister died, Jean made a very generous contribution allowing us to enhance this outdoor area, so others could experience the same joy that Kay did. "It's a small way to say thank you to those who helped to make Kay's final days happy ones," explained Jean.

*The generous spirit of others has enabled St. Ann's Community to remain on the leading edge of senior care and services in the greater Rochester community. If you're interested in joining them, please use the enclosed giving envelope, visit our website or contact Carol O'Neal, Senior Development Officer at 585-697-6338 or [coneal@stannscommunity.com](mailto:coneal@stannscommunity.com).*

# CORPORATE SPONSORS LEAD CHARGE FOR FOUNDATION

Corporate Partnership of St. Ann's has never been stronger!

This year, St. Ann's Foundation has raised a record \$48,250 from its partners - walloping last year's total by \$12,000.

Our corporate partners, just like many of our supporters, truly see the value of their donation. Because of their support the Foundation has been able to provide scholarships to St. Ann's staff members furthering their education, offer residents trips to the Buffalo Bills training camp and even provided the funds so our seniors can get their hair cut.

We couldn't be prouder to partner with such outstanding companies that are all locally based and we can't say THANK YOU enough.

Below you will see a list of all the partners that have truly shown their commitment to *the most important people on earth* at St. Ann's.

*Our corporate partners enjoying delicious appetizers at St. Ann's 2014 Patron Reception!*

## ASK AN ATTORNEY

**Nicole Marro**

Attorney at Law  
Bond, Schoeneck & King PLLC

Talking with your family about what movie to see or where to go on vacation is pretty easy for most of us. Sitting down and talking with your grown children about your Will is another story. And if you are the children, you may find it very uncomfortable to ask your parents what they are going to do with their money when they pass away. The questions below are the second of a two-part series that focus on family communication from the perspective of the children.

### **Q: Why do I need to know my parents estate plans?**

Because your parents' assets will be transferred (either to you or someone else) once they die. You may be the person responsible for managing the transfer so you should know what the plan is and who to contact. Without a discussion with your parents, family disputes may arise and your relationships with your siblings may suffer permanently.

### **Q: How do I talk with my parents about their estate plans?**

One way to bring up the topic is to mention that you are working on your own estate plan and that the quality of that plan

depends on knowing as much as possible about your future financial position. In addition, you can explain that as a result of working on your own plan, you now understand how much work is involved in the administration of an estate and are wondering what they have done to minimize the work and have they consulted with a trusts and estates attorney.

### **Q. What are the most important topics we should talk about?**

You should talk with your parents about whether they have these three essential documents: 1) a will; 2) a durable power of attorney for financial matters; and 3) a health care proxy and living will. It would also be wise to ask them if they have a current list of assets and where to find important documents.

*To follow up on any of these questions, please contact Carol O'Neal at (585) 697-6338 or e-mail: [coneal@stannscommunity.com](mailto:coneal@stannscommunity.com)*

*This information should not substitute for obtaining legal advice from your attorney.*

## WELCOME TO OUR NEWEST TREE OF LIFE DONORS:

Michael & Kellie McRae • Marjorie D. Tellier

*These individuals have recognized the importance of St. Ann's mission to serve the elderly and generously included St. Ann's in their estate plans.*

# THANK YOU FOR GIVING SO GENEROUSLY TO *The Most Important People on Earth*

September 25<sup>th</sup> was a day to say 'thank you' to the hundreds of individuals, businesses and foundations whose support reminds our seniors that they have not been forgotten. It was also a time to recognize our annual philanthropy award recipients.

Guest performer Nels Ross treated guests to a juggling routine, while delivering a powerful real-life message on the joy that comes from giving to others.

Our honorees' children and grandchildren, who were among the guests, watched him in delight. This performance and their family members' recognition and remarks provided them with an invaluable life lesson in giving to others.

*Tom Tette (right) and family friend Lisa Plukas help Nels Ross gain his balance.*

## OUR EMPLOYEES CARE

Last year, the Caring Hands Campaign broke an all-time record by raising an outstanding \$72,000. Our employees are ready to once again showcase their commitment to St. Ann's and *the most important people on earth* by attempting to break that record this year.

The Caring Hands Campaign launched during the fall Employee Benefit fair at both St. Ann's Home and Cherry Ridge. So, tasked with following the Fair's circus theme and asking fellow employees for donations, the Caring Hands Committee (shown above) successfully raised a total of \$65,000 to date – well on its' way to the \$75,000 goal!

"I do it for our residents and it is the right thing to do," said Courtney Pierce, Recreation Manager at St. Ann's and a Campaign contributor for six straight years. "It's as simple as that, no other explanation is really needed."

Employee support says a lot. They are here for countless hours and still willing to go the extra mile and support the St. Ann's mission.

*Partner in Philanthropy, Sue Murty with husband Mike, son Jack and St. Ann's President & CEO, Michael McRae.*

*Sue Murty serves as a wonderful role model for her oldest son, Ben.*

*Honoree Ginny Tette receives a congratulatory hug from granddaughter Marylynn.*

*Children and grandchildren of Tom and Ginny Tette, the Martin F. Birmingham Leaders in Philanthropy honorees.*

# A MEANINGFUL WAY TO REMEMBER

*St. Ann's Community gratefully acknowledges the following individuals and organizations who have made tribute gifts between March 16, 2014 and October 15, 2014. We are honored that families and friends selected the seniors of St. Ann's Community as a way to recognize their loved ones.*

*If your name has been listed incorrectly or inadvertently omitted, please accept our apologies and notify the foundation office at (585) 697-6688.*

## WALK TO END ALZHEIMER'S 2014

St. Ann's Community participated in the Walk to End Alzheimer's on Saturday, September 20th at Mendon Ponds Park. Our St. Ann's Team had over 110 participants helping to exceed our fundraising goal. This was all possible because of the hard work and big hearts of the St. Ann's Community team, friends and families. Thank you!
