

1/4/22

Dear St Ann's Families-

This is to update you on the COVID status on Portland. Since the last letter, we have had 6 staff members test positive. Of these, 4 provide direct care to our elders living here. Through contact tracing we have identified elders on the 6th floor, 7th floor, 8th floor and WCC 3100 who will need to be tested due to contact with infected staff. We will continue with surveillance testing of staff and elders today and throughout this week.

We also identified one elder with COVID overnight. This elder did have symptoms and lives on the WCC 2100 floor. Their loved ones have been notified and they will isolate in their room.

As a reminder, we will be giving an overview of the COVID situation on Thursday, 1/6, at noon via a zoom meeting. Please note details below.

Sincerely,

Dr. Kim Petrone
