Join or Start a Team >
Work as a group to reach your personal + collective fundraising goals.

4. If you select **Join or Create a Team**, you'll see a pop-up asking you to **Join** an existing team or **Start A New Team**.

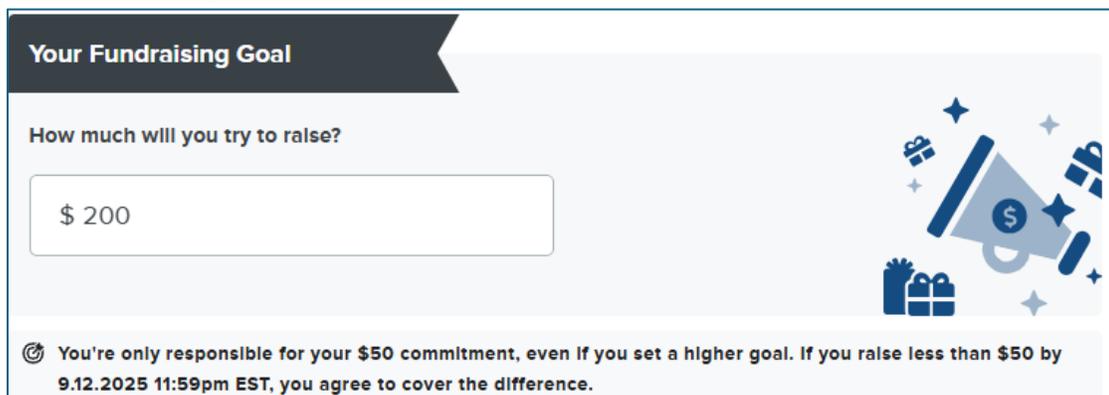

The screenshot shows a 'Join a Team' pop-up window. At the top, there is a search bar with the placeholder text 'Find a Team or Team Captain...'. Below the search bar, it indicates '2 teams'. Two team listings are visible: 'Awesome Runners' and 'Lakeland Running Club', each with a blue 'Join' button. At the bottom left, there is a 'Back' button with a circular arrow icon. At the bottom right, there is a 'Start A New Team' button with a group of people icon.

5. If you **Start A New Team**, you'll enter a team name and decide the team's fundraising goal. You'll also be designated as the team captain, which means you can edit the team's fundraising page.

The screenshot shows the 'Start A New Team' form. At the top, it says 'Start A New Team' and 'You'll be team captain.' Below this, there is a question: 'What do you want to name your team?' followed by a text input field labeled 'Team Name'. The next question is 'How much does your team want to raise?' with a sub-note: 'Money raised by each team member will count toward the collective team goal, plus their own personal goal.' Below this is a text input field with a '\$' symbol. At the bottom, there is a blue 'Save My Team' button.

6. On the **Details** screen, you'll determine your fundraising goal. If you're part of a team, your personal goal will contribute to the team goal.

The screenshot shows the 'Your Fundraising Goal' details screen. At the top, there is a dark banner with the text 'Your Fundraising Goal'. Below this, there is a question: 'How much will you try to raise?' followed by a text input field containing '\$ 200'. To the right of the input field, there is a decorative graphic featuring a megaphone, a dollar sign, and gift boxes. At the bottom, there is a disclaimer: 'You're only responsible for your \$50 commitment, even if you set a higher goal. If you raise less than \$50 by 9.12.2025 11:59pm EST, you agree to cover the difference.'

- Then, fill in your personal and emergency contact information. If you click the **Add Another Participant**, you will need that individuals' payment information to put on file or you can enter your payment information. Clicking the button at the bottom will automatically bring you back to steps 5-10. If you would like to invite someone to join a team, you can send them an invitation link via your fundraising page.
