FAQs

St. Ann's Community Walk 2025

Register today at stannscommunity.com/walk

What is St. Ann's Community Walk?

An easy way for anyone to help raise funds to support the mission of St. Ann's Community! Funds raised will be used to support a variety of activities for our elders. There will be food options and entertainment. It's a rain or shine event! Every dollar raised supports the mission of St. Ann's Community.

How can I get involved?

- 1 Raise funds and walk! Register at stannscommunity.com/walk to set up your fundraising page.
- 2 Get your friends, family, and coworkers to join you, either by being a part of your walking team (and raising funds too!) or providing a gift toward your fundraising goal.
- 3 Volunteer your time. We have several opportunities pre-event, day-of the event, and post-event to get involved. Visit our website for volunteer opportunities.

What is Peer-to-Peer (P2P) Fundraising?

Peer-to-peer fundraising is a way for individuals (walkers) to raise funds by asking their friends, family, and colleagues to contribute. It's simple! Set a personal fundraising goal (**minimum of \$50**), share your fundraising page on social media and with your network, and encourage others to donate.

What is a Walking Team?

A walking team is a group of two or more individuals who come together to support St. Ann's Community. Teams can be made up of friends, family, coworkers, or anyone who wants to walk together for a great cause. Each team sets a collective fundraising goal, with each member's individual goal contributing to the team's total.

Can I walk or fundraise as an individual (without a team)?

Yes! You do not need to be part of a team to participate. You can register as an individual walker, set a personal fundraising goal (**minimum of \$50**), and raise funds on your own. Whether you walk solo or with others, your support makes a meaningful impact on St. Ann's Community.

Can I bring a pet to the event?

No. We all love our furry friends, but we do not want any unexpected situations to occur.

What if I cannot make the September 13th event OR I live out-of-state? Can I still participate and raise funds for St. Ann's Community?

Yes! Although we'd love to see everyone on the day of the event, we understand that sometimes that isn't possible. Some ways you can participate include:

- 1 Designate one of your daily walks to raising funds for St. Ann's Community! Create a fundraising page at stannsccommunity.com/walk and reach out to your social and professional networks to support you as you raise funds for St. Ann's Community.
- 2 Ask a family member or friend to walk for you! Ask them to set up their own fundraising page and make a gift to support them.
- 3 Donate \$50 towards the walk in honor of someone who calls (or called) St. Ann's their home!

I'm signed up and I'd like to have my whole family there. Can my kids join me?

We encourage walkers to get their family involved and moving with us! Kids 13 and under are free. Anyone 14 years of age and older is asked to register and raise the minimum of \$50.

My family member lives at St. Ann's. Can they join me?

Absolutely! As long as your loved one is able to be outside, is with your family the whole time, and the outdoor conditions are not an impediment, we encourage their participation. Elders who reside at St. Ann's Community participate at no cost. (If you will be pushing them in a wheelchair, it's a good idea to come walk the route first yourself.)

How do I get my company involved?

Contact **Cati Pulver, Director of Development**, cpulver@mystannsc.com or (585) 697-6320, to find out about sponsorship and volunteer opportunities.

Everyone who plans to attend is asked to **bring at least one pair of gently worn athletic sneakers!**
